# About us

## Our Beginning

Established in 1977, Quicksew began as an upholstery company, and has grown to become the market leader in furniture and soft furnishing products for the residential market.

## Roots in the Residential Market

Throughout our 45-year history, we have serviced over 6,400 homes in New South Wales.

## Our Customer Community Today

While diverse in the residential & commercial sectors, Quicksew remains true to its residential roots.
