CURVED MOULDING RESTORATION

(Orakei, Auckland)

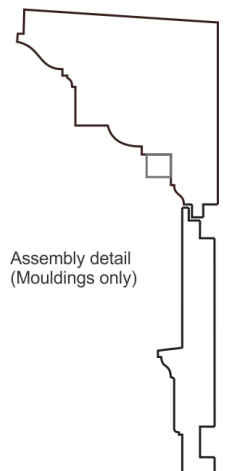

Accumen Shapes were charged with the task of replicating a large detailed curved moulding on an iconic Paratai Drive mansion, as seen on the latest TV series, The Real Housewives of Auckland.

The radius had to be precise to fit the existing curve so exacting measurements were taken from a salvaged piece of the original moulding.

The enormous **DecraShape®** curved mouldings with dentils measured almost 1.5 metres in height, and were expertly installed by **Andrew Plastering**.
