GET THE LOOK YOU WANT!

ATTRACTIVE | ADAPTABLE | ADJUSTABLE | AFFORDABLE

The sleek and stylish Aussie UnderCover® hidden pool cover system will give your pool a 'professional' look

- Australian made, owned, and operated
- Smooth winding or semi remote-control operation for 1 person
- Three (3) kit installation styles and eleven (11) sizes to suit most pools
- Manufactured for longevity – Fully sealed aluminum gearbox
- The Lid is supported by gas strut(s) or powered for easy opening and closing
- **No ugly roller or metal plank in your paving or deck!**
- The lid frame is made from marine grade aluminium, and you finish with the product of your choice to suit your pool (hardwood, timber, tiles or other).
