BCG GROUP have been operating since 2013. We are a New Zealand family owned company specialising in total building solutions for residential construction, subdivision and development, as well as the design and build of new homes in the Auckland region. From small to multi-million-dollar projects, our professional team are highly motivated and committed to delivering projects from sketch to turnkey completion.

Our unique success is due, not only to our building expertise, but to the integrity, transparency and trustworthiness we bring to every project. We are continuously discovering new and effective ways to deliver efficient building solutions that fulfil dreams and have been doing so for over a decade.

Proud recipients of the Silver Award 2018 House of the Year for our excellence in workmanship, creativity and innovation in the Multi-Unit, Apartment/Terrace Housing Category, and finalists in the Westpac Business Awards 2018 & 2020 for excellence in customer service.

BCG GROUP holds the accreditation of New Zealand's most recognised building organisations and are honoured to be members of LBP, Registered Master Builder Association, New Zealand Certified Builder Association, New Zealand Green Building Council, Architectural Designers NZ, and an Immigration NZ Accredited Employer. We are dedicated to delivering the highest professional standards and ensure H&S practices are in compliance with industry regulations. We also offer a 10-Year Master Builder Guarantee with loss of deposit and non-completion cover which provides developers and homeowners peace of mind.

BCG GROUP has 40+ in house employees supported by our Architecture Designers, Operations Manager, Construction Manager, Project Managers, Quantity Surveyors, Carpenters, Concrete and Foundation skilled workers, Quality Control Manager and Health & Safety Manager, etc. We are proud to be an accredited Panel Contractor with Kainga Ora who is a Crown entity, the company holds \$20 million Public Liability Insurance and associate contract work insurance for each of our projects.

In providing total building solutions BCG GROUP gives you certainty and peace of mind.
