

# Guarantee of Excellence

## As our valued client we guarantee:

### You can trust us

You can trust our team and personnel will look after and respect your home whilst construction works are being carried out.

### The highest quality workmanship

Rest assure our quality of workmanship will be to the highest standard exceeding New Zealand Building code requirements.

### We are professional and courteous

We guarantee our staff are professional, courteous and will always be on time.

### Regular communication

We will communicate with you on a weekly basis, providing updates on the progress of your project and will arrange regular site meetings as required.

### Upfront transparent costs

We endorse an open book policy which provides our clients with upfront and transparent costs.

### Projects on time and budget

We use the latest industry technology and tracking software to ensure your project remains on time, budget, and schedule with minimal disruption.

## We always deliver
