CLEVER BY NATURE

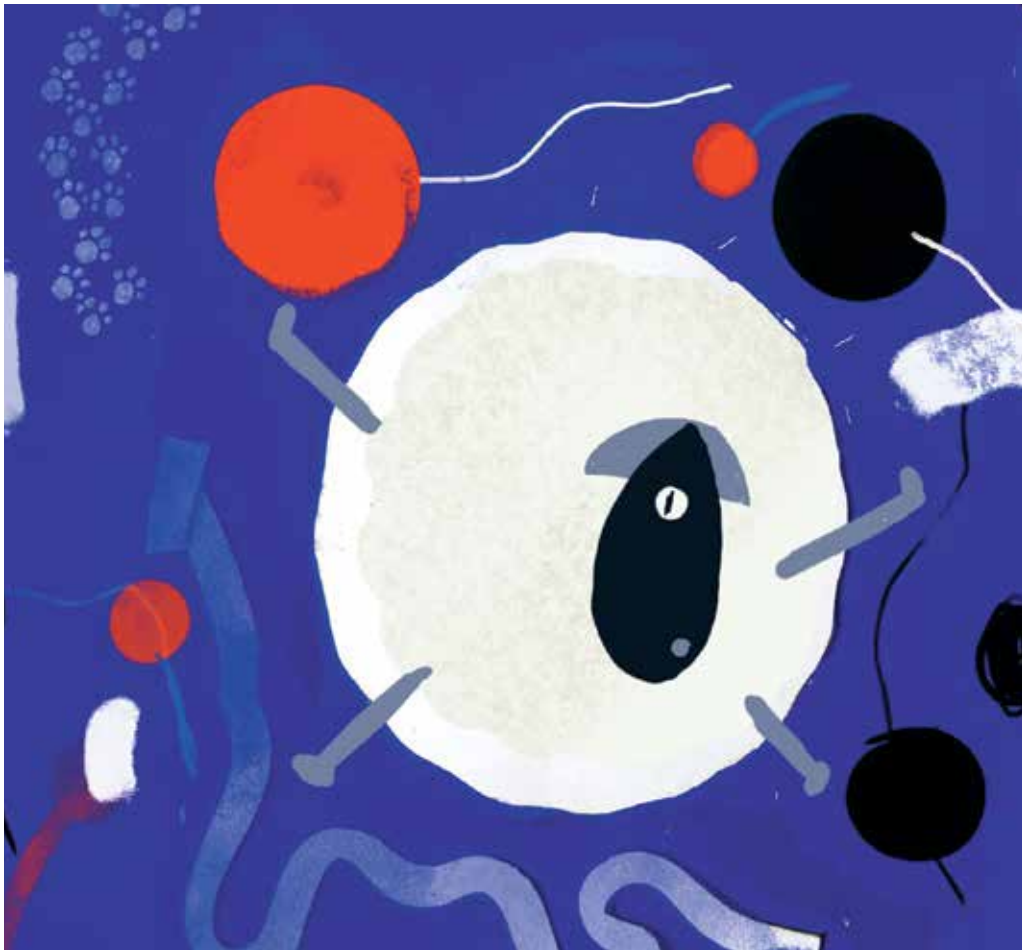

Wool is a smart choice. You'll enjoy living with all the natural benefits of wool. Perfect for humans and pets alike.

PETS LOVE NATURAL

Wool is naturally furry-family member friendly. It's tough enough for puppy play and just perfect for cat naps.

ACCIDENT READY

Wool fibres repel liquids, giving you time to clean up any little accidents or spills. This will help to keep your carpet looking its best while you relax and enjoy time with your furry friend.

MINIMISES ODOUR

Wool is more efficient at absorbing odours from our pets and indoor air than synthetic fibres, helping keep your home more odour free. Phew.

BUSY PAWS & LITTLE BARKERS

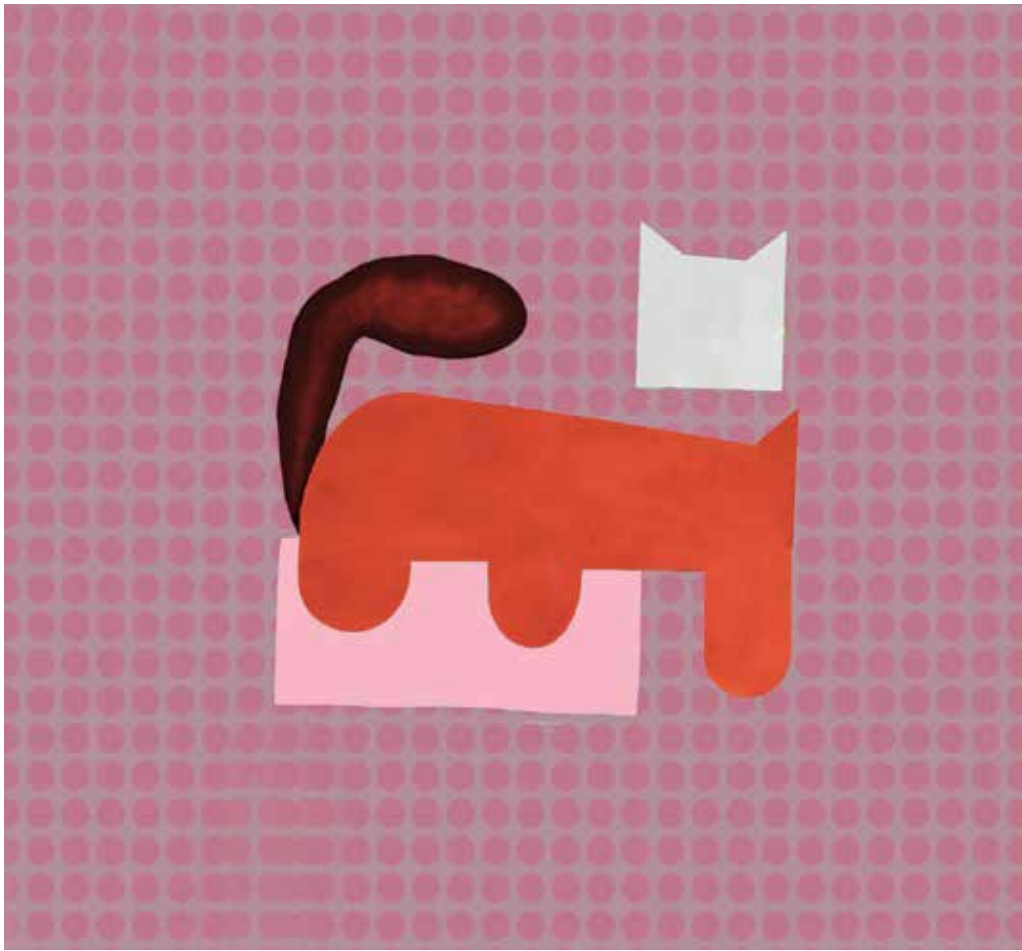

From scuttling feet to a chorus of barks, wool naturally helps make your home quieter and, of course, more comfortable. Perfect for naps and zoomies.

A NATURAL FIT FOR PETS THAT LOVE TO CLAW

Our beautifully crafted cut-pile carpets are perfect for furry friends who like to claw.

***LOOPS ARE
GREAT FOR
LOUNGERS***

Pick one of our durable loop or cut piles for a natural touch of texture that both you and your pet will love.

***ACCIDENTS
ARE PART
OF LIFE***

Whether it's knocking over your drink or muddy paws, we have a few tips for cleaning up any mess that may occur.

CLEANING UP YOUR FURRY FRIENDS MISHAPS

Step 1

Carefully scoop up as much as you can.

Step 2

Tip a small amount of water on the spill.

Step 3

Apply light pressure using white paper towels until the majority is uplifted.

Step 4

Discard and repeat until the spill disappears.

Step 5

Soak up excess water, but do not rub.

Step 6

The carpet should feel dry.
