COMPOSITION

Acoustic and decorative wall fabric, composition is the simple choice for managing echo and creating a durable interior solution.

COVE

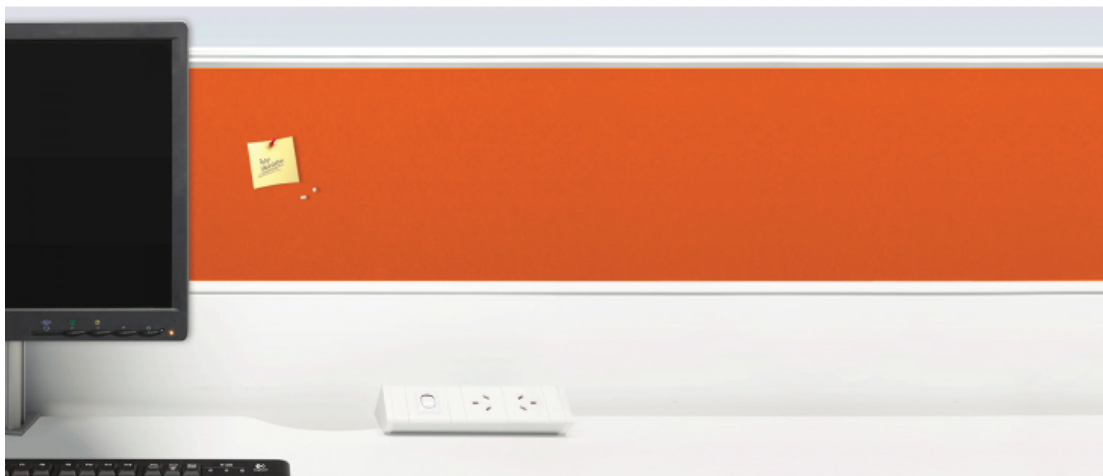

A personal slide-on acoustic divider for a quiet and sheltered desk space. Available in three unique styles. Cove is a simple acoustic solution for privacy in open plan settings.

CUBE

A lightweight and semi-rigid panel that has sound absorbing properties. Designed with solid colour throughout and can be used in a large array of spatial design and interior solutions.

WORKSTATION

A Vertiface covered polyester panel that combines superior noise absorption with unique finishing options. Durable and lightweight, Workstation can be used in wide array of commercial applications, including office dividers and partitions.
