

Contemporary family
oasis in Bondi

This semi-detached family home is located in the exclusive Sydney suburb of Bondi. Joinery was created for the kitchen, laundry and bathroom. Finger-pull handles were used in the kitchen to create a smooth, sleek façade. A made-to-specification European oak veneer pantry was colour-matched to the floor in the kitchen. In the bathroom, the vanity was made from solid timber; the tongue-and-groove doors for the closet hid extra storage space and the washer and dryer.
