## ELOK 7-SERIES

New Zealand's' First Narrow Profile Smart Lock

## A Smart Lock that suits your lifestyle, your home and what nature throws at it.

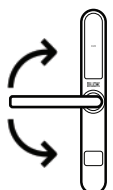

Leave your keys at home with the new E-LOK 705/7 Smart Lock. Control access to your home with an easy to use app.

Pair your phone to your E-LOK 705/7 via Bluetooth using the E-LOK app. Set-up a range of pincodes and pair the included RFID Cards for easy access, or unlock via Bluetooth.

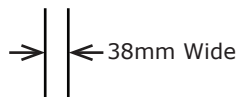

Adding and deleting access codes is easy through the app. App includes controls for one-timed pincodes for tradie access. E-LOK app allows you to view all access data including failed unlock attempts.

# E-LOK 7-SERIES

4-point lockbody compatible

38mm Wide

IP55 weather rated

Eco-drive Motor

Four easy unlock methods

Mechanical key override

Suits both Alu & Wooden Doors

Lightup Pinpad LED's

## Built for your door.

### Only 38mm wide

Unlike any other Smart Lock, the narrow profile allows the E-LOK 7-Series to fit on tight aluminium joinery common in NZ.

Sleek design makes E-LOK 7-Series an easy choice to match with your door. Even though the 7-Series is compact, it doesn't skimp on features including, 3 RFID cards, 200 + unique programmable pincodes, Bluetooth controls and Wi-Fi controls with the E-LOK Gateway

Whether for new, or joinery done in the 90's and 00's, E-LOK 7-Series can fit on your door.

304 Stainless Steel Construction. finished in: Electroplate Black or; Brushed Stainless Steel.
