

# CAPABILITY STATEMENT

Your Commercial Door & Garage Door Specialists

**Committed to providing the door you need.**

## **Glideaway Garage Doors Ltd**

(Trading as Glideaway Door Systems)

Glideaway is a family business and has been supplying residential dwellings, commercial buildings with door systems since 1982.

With our extensive range of products for residential, commercial and industrial applications we could safely say we would supply the largest range of door products in Australasia.

Our customers range from home owners to Government organisations and large corporates.

We pride ourselves on quality, innovation, creativity and breadth of our range offering products to satisfy all needs, tastes and budgets.

Being centrally based in the Manawatu, we are able to cover the whole country easily, utilising our contractors and dealers which sell, install and service our products.

## **What Glideaway Offer**

Glideaway offer a full range of door products and systems for any Commercial, Industrial or Residential property or project.

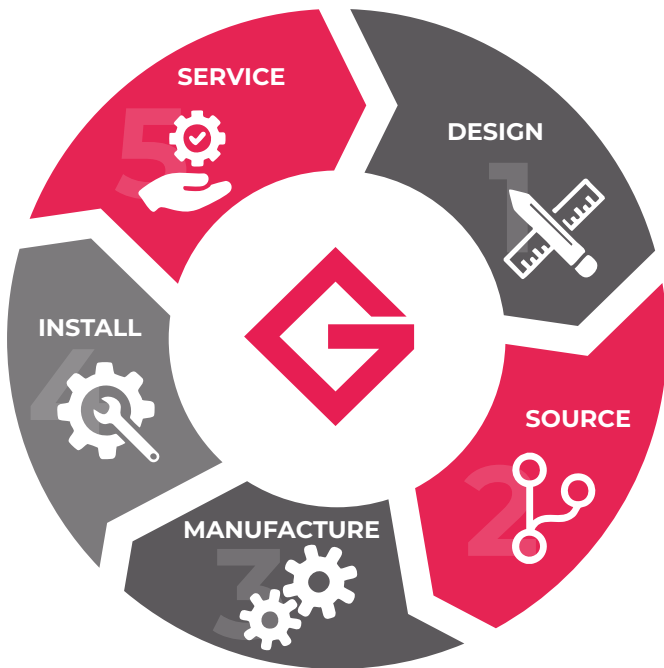

We offer a full service from design, manufacture, supply and installation including back up servicing and maintenance.

We work alongside well known and world leading door manufacturers from across the globe which gives our New Zealand and Pacific customers access to a variety of products which are available on the world stage.

With our experienced team, we work to deliver high quality products at an affordable budget and on a timely manner.

Effortless access with innovation and style.

## The Glideaway Process

- 1. Design:** Glideaway offer inhouse door concept design and build
- 2. Source:** Glideaway Procure/ source arrange of products and materials from local and overseas
- 3. Manufacture:** Glideaway manufacture a wide range of doors inhouse
- 4. Install:** Installation by Glideaway installers or contractors across NZ
- 5. Service:** Back up service and maintenance plans.

## Our Vision

To transform and elevate spaces by providing reliable, high-performance garage doors that meet the needs of both residential and commercial customers.

Through innovation, exceptional quality and customer- centric service, we aim to be the trusted partner for garage solutions in every community we serve.

## Our Purpose

Allowing easy and reliable access and keep homes, buildings and facilities safe and secure.

## Glideaway Door Systems Values

### Adaptable

We are adaptable to meeting the changing needs and demands from the industry and our customers.

### Teamwork

We work together as a team to foster a culture of shared success

### Ownership

We take ownership for our work, fostering a sense of pride and accountability

### Innovate

We cultivate a culture of innovation that encourages experimentation, problem-solving and the adoption of new technologies and to stay ahead in the industry.

### Respect

We treat each other with dignity, empathy and fairness, regardless of their role, background or perspective.
