Who We Are

Your Global Hotel Art Partner

At Hay Hay Design, we create, manufacture, and install brand-compliant artwork for the world's leading hotels — including Pullman, Hilton, Mercure, Ibis, Novotel, Shilla, and Radisson. With our own production facility in Vietnam and over a decade of experience, we deliver high-quality, brand-ready art that meets FF&E procurement standards — on time, on budget, and anywhere in the world.

10+ years supplying global hotel brands

20+ international hotel chains served

Vietnam-based production for cost efficiency & quality control

Full-service: design → manufacture → ship → install

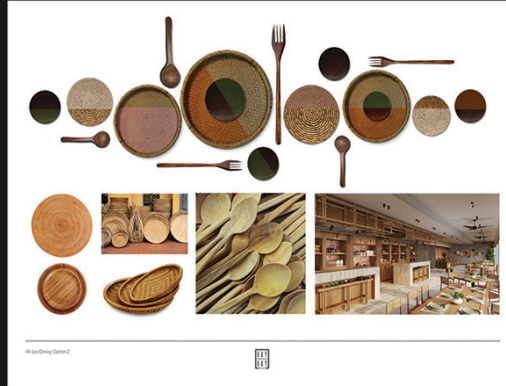

Our Process

From Concept to Installation

Brief & Concept – We work with your brand/design team to develop concepts that align with brand guidelines.

- Design Approval – Detailed visuals and material specs for sign-off.
- Manufacture in Vietnam – Full QC oversight to ensure consistency across large orders.
- Global Shipping – Export-ready packaging, customs documentation, and tracking.
- On-Site Installation – Optional installation teams available for major projects.

Why FF&E Buyers Choose Us

Built for Procurement Teams

We understand what FF&E and OS&E buyers need and we speak your language:

Compliance-Ready

All artworks are produced to meet brand standards, fire safety regulations, and hospitality durability requirements.

Cost-Effective

Vietnam-based manufacturing means competitive pricing without sacrificing quality.

Logistics-Savvy

We ship globally, handling packaging, crating, and documentation for seamless import.

Brand-Aligned Design

Our team collaborates with brand design managers and interior designers to ensure every piece fits the property's story
