

# Rock Panel

By Plywood City

**Natural Beauty of Stone  
Made Easy & Affordable**  
RockPanel is an affordable decorative interior or outdoor living feature & over-cladding system, that is a fraction of the price of real stone products.

A faux stone panel with an easy ship lap, screw and glue fixing system for a seamless face finish. Easily installed DIY or by skilled trades people saving time, money & mess

Endless possibilities for design RockPanel is ideal for feature walls, pool & deck surrounds, landscaping features & more!
