

PROJECT: CAFÉ MELBA
LOCATION: MANUKAU
PRODUCT: EXPONA SIMPLAY BROWN MYSTIQUE WOOD 2519

A floorcovering that offers flexibility and can adapt to varying requirements is essential in a demanding heavy commercial environment. In these types of interiors, an interchangeable loose lay flooring provides the ideal blend of beauty and adaptability.

Café Melba in Manukau was the newest edition to the Café Melba family.

Expona Simplay, Brown Mystique Wood 2519 was the choice for this stunning 200m² café.

SimpLay is a loose lay product designed as a quick installation system. The functionality of the floor area is ensured by the net weight and the innovative special backing structure of the Simplay product allowing for an uncompromising loose installation. Ideal for retail, hotel and office

fit-outs as well as for the home, the collection features timber inspired planks and concrete look tiles.
