COMMERCIAL • INDUSTRIAL • RESIDENTIAL

COMMERCIAL

CONCRETE CARPARK DECK

Carpark and deck area 250sqm over concrete with a Grit Coat.

Economical, aesthetically pleasing, trafficable, warrantable solution over your existing Flat Roof, Deck, Internal Gutter, Planter Box, Carpark Deck.

INDUSTRIAL

OVERLAY/SEAL EXISTING METAL PROFILE ROOF AREAS

Leaking metal tray roof over plant roof with multiple penetrations, required an economical solution that did not require removal of the existing roof causing major disruption and significant cost.

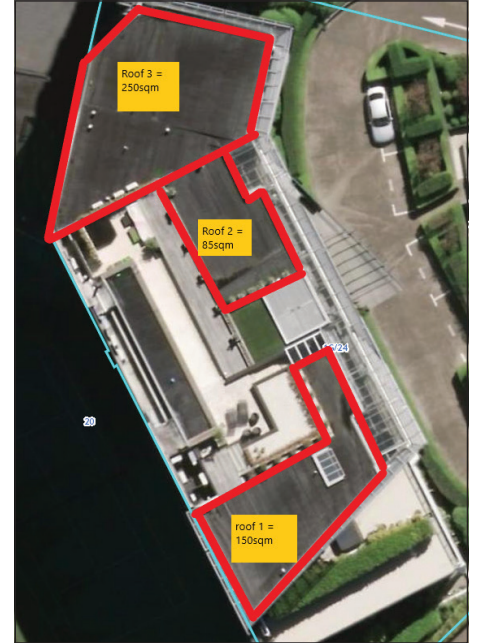

Roof was cleaned, penetrations and surrounding flashings were fibre glassed to completely lock off any water entry then roof was completely overlaid using Cohe Group Quick 2 Seal Application with a grayco sprayer, primer, two coats of Quick 2 Seal. 20yr product warranty.

RESIDENTIAL

OVERLAY ANY MEMBRANE DECK, ROOF, GUTTER

Economical, aesthetically pleasing, trafficable, warrantable solution over your existing Flat Roof, Deck, Internal Gutter, Planter Box, Carpark Deck.

OVERLAY EXISTING FLAT ROOFS, DECKS, INTERNAL GUTTERS, 20YR WARRANTABLE SYSTEM
