HURRICANE 

Sick of flushing twice to make sure everything goes?

Sick of having to clean marks off the bowl?

Finding it hard to get on and off your toilet?

We listened to our customers. We got designing, and we present the latest in toilet-hurricane technology - The Hurricane Toilet.

The strong flush guarantee means that everything will go first flush, even through old 80mm pipes.

It features the latest in Hurricane Action flushing, creating a powerful vortex that will always flush - no matter what's left in the bowl.

Combining the removable soft close cover with the innovative Over-Under design with the perfect comfort height pan allows for the most pleasurable seating experience yet.

On top of all these fantastic features, the Hurricane is friendly to the environment. With a 4 star water rating it is efficient to run and has a non marking design.

You'll never find a better toilet than this.
