# Decorative Concrete

Versatility is the name of the game when it comes to our concrete patios and decorative concrete. The choices are endless and the finish is flawless.

We take pride in building fully customised patios and creating decorative concrete designs that make a bold, beautiful design statement.

- Durable, easy to maintain and impact resistant
- Finishes include smooth, broomed, coloured, patterned, textured, exposed and polished
- Decorative concrete for that paver-style finish, or scoring and pattern work
- Bespoke pebble finishes, coloured concrete, a wide range of New Zealand aggregates
- Acid washing and sealing, wet look or natural finishes to protect for years to come
- Transforming landscapes with aesthetic concrete cutting and grouting

*Mike and his team were amazing - an absolutely brilliant bunch of guys. Great communication. Very obliging at accommodating requests. Everything from beginning to end ran to schedule. It was very clear to me that customer satisfaction is top priority for Mike and the boys. Highly recommended! A+++.*
