75  
CELEBRATING  
1947-2022

## 75 years of innovation

As we mark our 75th anniversary, we are thrilled to share with you our latest technology. With unrivalled expertise in instant filtered boiling, chilled and sparkling water, Zip Water is known globally for being home to the Zip HydroTap, which dispenses pure-tasting water at the touch of a button.

Founded in Australia in 1947, we've always been innovators, advancing and perfecting our drinking water technology for decades. Today, we're proud to provide workplaces, in over 70 countries across the world with the purest tasting water possible from our range of Zip HydroTaps.

Access the latest water filtration technology for pure-tasting water. Convenience at the touch of a button for instant boiled, chilled and sparkling water. Stylish designs and finishes to suit any kitchen and declutter bench space for efficiency.

Start drinking more, saving time, saving energy and seeing the benefits to your family's wellbeing from your very first glass.

Welcome to the Zip HydroTap family. We thank you for your support as we embark on another 75 years of delivering water at its best.

John Doumani, President Zip Industries

# Experience water at its best with Zip HydroTap

## Convenience of instant pure-tasting water at the touch of a button

Enjoy pure-tasting boiling, chilled and sparkling water flowing from the simplest of touches with the Zip HydroTap G5. With sleek design and slick function powered by our most advanced technology, the HydroTap G5 has more personalised settings and features SteriTouch® for enhanced hygiene. It's not just water, it's water at its best.

POWERED BY  
**G5**  
TECHNOLOGY

# Powered by our latest G5 technology

Zip HydroTap's superior filtration and compact, efficient design makes it the perfect water solution for any workspace.

Remove kettles from your benchtops. Eliminate refrigerated bottles of still and sparkling water. Save space, energy and money. Forget deliveries and storage of water cooler bottles.

The Zip HydroTap is a convenient and practical way to offer your staff, customers and visitors fresh, pure-tasting water – instantly and safely.

# Experience water at its best with HydroTap in the workplace

Pure-tasting boiling, chilled and sparkling water in an instant, delivered seamlessly with a Zip HydroTap. There is a HydroTap to suit any workplace.

## For the office workplace

Workplace productivity and wellbeing is vital to every team environment. Zip HydroTap meets all your workplace water needs, in one elegant, easy-to-use system, using the latest technology to keep up with a busy workplace. Introducing our latest addition to our flagship HydroTap range - Classic Plus.

## For touch-free workplaces

With an increased consideration around hygiene in the workplace, Zip HydroTap Touch-Free Wave provides a 100% touch-free solution to instantly dispense pure-tasting drinking water with a simple wave of a hand.

## For the small workplace

Award winning Zip Micro is our smallest ever drinking water system, designed to fit under almost any bench and keeps up to 10 people hydrated – the perfect solution for smaller offices.

## For health and aged care facilities

For health and aged care facilities, HydroTap UltraCare is proven to deliver a 99.9% reduction in Legionella\*.

\*ALS Pty Ltd Testing of the Zip HydroTap UltraCare system efficacy tests

# Zip HydroTap certified installation

For professional results, let Zip Water take care of the installation. Our skilled service technicians will install and set up your HydroTap so you can start enjoying instant pure-tasting water as soon as possible.

## Experienced & certified installers

As certified installation specialists, we will install your new HydroTap including stone cutting for tap and/or font installations\*.

## Full national coverage

With more than 100 Zip certified technicians and 350 authorised service providers across the country, Zip Water can ensure coverage for your installation and service needs.

## Experts in residential installation

Access our certified installation team, experienced in navigating around residential kitchens and equipped with all necessary tools to complete your HydroTap installation\*.

## Product demonstration

Zip HydroTap certified installation includes a product demonstration to show how to get the most out of your new HydroTap system and answer any questions you may have.

## High customer satisfaction

We strive to deliver exceptional customer service and take pride in our customer satisfaction. 80% of our customers have rated our Zip Water service technicians 9 or 10/10 demonstrating our commitment to you, our customers.

\*Installation service is available in Australian metro areas only where suitable power and water are available within 1 metre of the installation location. Installation must be within 70 kilometres of metro areas. Includes stone cutting for tap and/or font installation but excludes cutting of fixtures or major plumbing modifications. \*Zip Water Service Net Promoter Survey, Feb 21-Feb 22.

# Say hello to Classic Plus & Elite Plus

Enjoy pure-tasting boiling, chilled and sparkling water instantly with Zip HydroTap, powered by our most advanced G5 technology.

## Sleek design meets slick function

With simple, intuitive controls including continuous flow to fill bottles and coming in seven ultra-modern finishes, HydroTap Classic Plus and Elite Plus will add designer style to any kitchen.

## Smarter and more personalised

Create your preferred settings with a few touches using the optimised new menu in the HydroTap G5 command centre. Select energy modes and usage settings for easier customisation.

## Setting the hygiene standard

Zip HydroTap G5 has SteriTouch® antimicrobial protection impregnated within key water surfaces as well as on the new touch-pad for enhanced hygiene.

Classic Plus

Elite Plus

Classic Plus - 2021 Accolade Winner  
in the Product Design Domestic Appliances category in recognition for outstanding design and innovation.

# The evolution of Arc Plus and Cube Plus

Elevate any kitchen with HydroTap Arc Plus and Cube Plus, our latest addition to the Zip HydroTap range.

## Sophisticated elegance

HydroTap Arc Plus and Cube Plus will add a stylish finish to all kitchens with its designer silhouette, balancing the on-trend tap styles with our G5 technology to deliver boiling, chilled and sparkling water on demand.

## Instant refreshments

Enjoy access to perfect refreshments with pure-tasting water at the press of a button. HydroTap Arc Plus and Cube Plus offers enhanced sparkling & chilled water delivery with the optimised aerator hidden inside the elegant spout of the tap.

Arc Plus

Cube Plus

Available in 7 ultra-modern finishes to suit any designer kitchen.

# Create a safer workplace with HydroTap Touch-Free Wave

Available in Chrome and Matte Black

Introducing Zip HydroTap Touch-Free Wave, with smart infrared sensors that activate boiling, chilled and sparkling water.

With an increased consideration around hygiene in the workplace, new Zip HydroTap Touch-Free Wave provides a 100% touch-free solution to instantly dispense pure-tasting drinking water with a simple wave of a hand.

## How it works

- Infrared smart sensors detect hand movements within 1.5 - 5cm in range of the tap
- Once the hand moves away, the water flow will stop
- All drinking water types will have a maximum run time of 15 seconds which is adjustable from the command centre
- Continuous flow to fill bottles with twin sensor activation

View how to operate Touch-Free Wave

## Safety features

- Twin sensor activation for safe delivery of boiling water

- Dispensing will deactivate when the tap is touched or grabbed, allowing for safe cleaning

Wave right for chilled

Wave above for sparkling

2021 Accolade Winner

in the Product Design Domestic Appliances category in recognition for outstanding design and innovation.

# Zip Micro, our smallest ever drinking water system

**37%\***  
narrower  
to fit under almost  
any bench

Zip Micro is 37% narrower, perfect for small kitchens for up to 10 people, delivering perfectly **boiling** and **chilled** water at your fingertips.

**Designed with space in mind**  
Our smallest underbench system footprint is 37%\* narrower.

**Optimised for up to 10 people**  
Keep up to 10 people hydrated with boiling only or boiling + chilled filtered water options.

**Easy to use**  
The Zip Micro tap design comes with an integrated safety lock and uses an intuitive twist activation with auto and manual fill options. The underbench system comes with pre-configured settings and modes.

**Micro-filtration for pure tasting water**  
Zip Micro uses the latest filtration technology for pure-tasting water. Zip filters are certified to reduce bacteria, sediment, odours to NSF 42 (aesthetic effects) and NSF 53 (health effects).

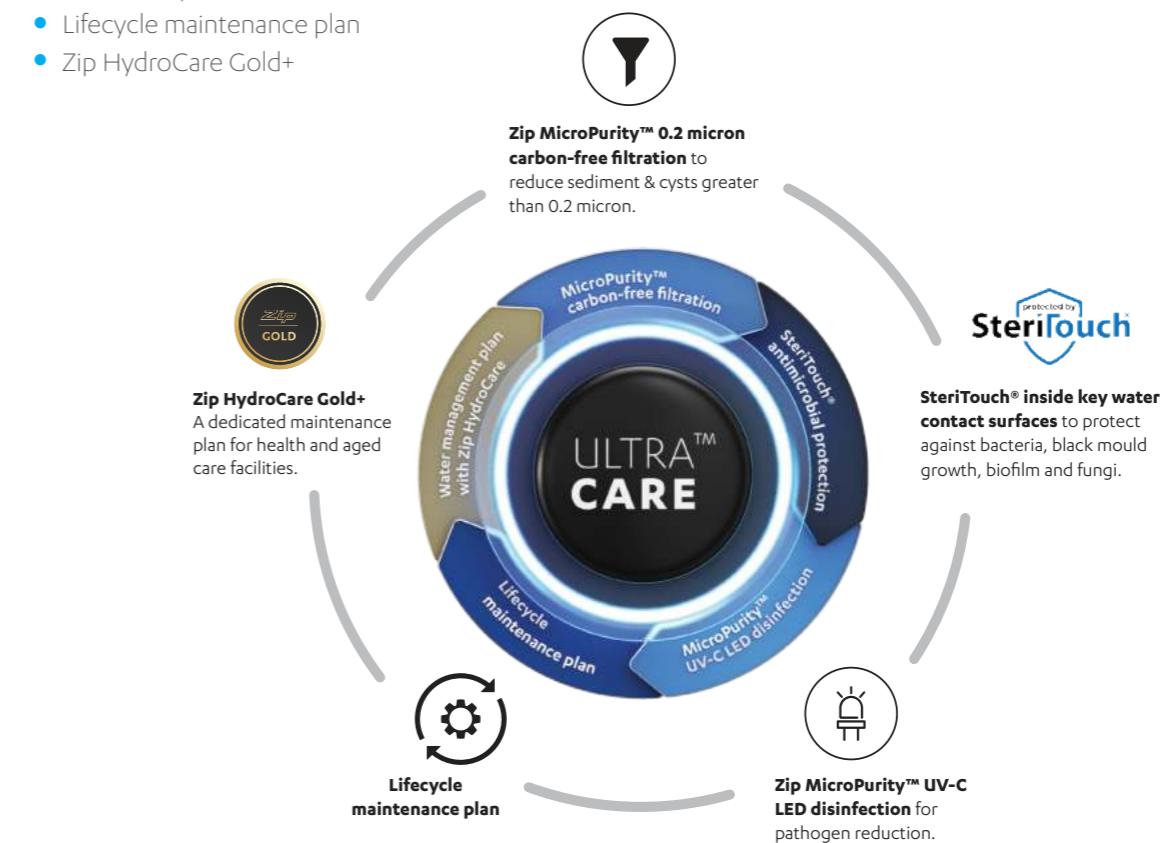

**2020 Gold Accolade Winner**  
in the Product Design Domestic Appliances category in recognition for outstanding design and innovation.

# The Zip HydroTap UltraCare system is proven to deliver 99.9% reduction in Legionella\*

Zip HydroTap UltraCare uses a combination of localised treatments and barriers that are proven as the most effective method of reducing waterborne organisms and pathogens including Legionella\*\*.

The barriers provided in the UltraCare system are:

- MicroPurity™ 0.2-micron carbon-free filtration
- SteriTouch® antimicrobial enhanced surfaces
- MicroPurity™ UV-C LED disinfection
- Lifecycle maintenance plan
- Zip HydroCare Gold+

Zip HydroTap UltraCare is available in 3 tap designs

\*\*enHealth 2015 Guidelines for Legionella control in the operation and maintenance of water distribution systems in health and aged care facilities, Australian Government, Canberra.

# HydroTap, powered by new G5 technology

Leading the way in performance and functionality, Zip's fifth generation G5 technology continues to deliver the convenience you would expect from a HydroTap.

Perfected over 70 years of development and innovation, HydroTap G5 transforms tap water into a form you will love, in an instant.

The G5 command centre is WaterMark approved, which means it is fit for purpose and appropriately authorised for use in plumbing and drainage installations.

## HydroTap product warranty

Zip HydroTap G5 is backed by a 36 month comprehensive parts and labour warranty, plus a further 24 months on internal tanks.

### PowerPulse technology

Our innovative Zip PowerPulse technology maintains stored boiling water to within 0.2°C of your set temperature, meaning no energy or time is wasted waiting for water to boil.

### Unique safety features

Zip boiling water is delivered smoothly and the tap has a safety lock to facilitate safe boiling water delivery.

### Air-cooled system

Our unique air-cooled refrigeration system is 100% water efficient.

### Auto-diagnostics

An advanced auto-diagnostics system continuously monitors your HydroTap's performance.

### MicroPurity™ filtration

Inbuilt 0.2 micron NSF-certified filter incorporating innovative silver ion antimicrobial technology means healthier, pure-tasting water for your workplace.

### Smart Customisation

New optimised menu in the G5 HydroTap command centre allows you to select energy modes and usage settings for easier customisation.

### SteriTouch® antimicrobial protection

SteriTouch® is impregnated inside materials in contact with key water paths in HydroTap for added protection against surface bacteria.

### Touch-Free Technology

Zip HydroTap Touch-Free Wave uses smart infrared sensors to activate the tap to dispense boiling, chilled and sparkling water, all without touching the tap.

### CO<sub>2</sub> level indicator

New feature in the command centre shows when CO<sub>2</sub> gas is running low.

# Pure-tasting filtered water with Zip MicroPurity filtration

At Zip Water, we put water quality at the heart of our offering, with perfectly filtered boiling, chilled and sparkling water instantly.

Our mission is to help our customers to enjoy pure-tasting water, on tap, all the time, and that is why only the best tasting water will do.

## Advanced filtration in every HydroTap system

Zip MicroPurity uses the latest filtration technology to filter and reduce impurities and potentially harmful contaminants larger than 0.2 microns in size – an impurity that will fit 250 times into a strand of hair.

## Easy to maintain

We recommend regular filter changes to ensure you continue to enjoy pure-tasting water. Our MicroPurity filters are easy to change with a hygienic cartridge and our qualified service technicians can also perform filter changes for your convenience.

## Trust Zip genuine filters

Every Zip HydroTap system comes fitted with a genuine MicroPurity filter, certified to reduce contaminants.

Crystal clear pure-tasting water

**MICROPURITY™  
FILTRATION**

SAFELY FILTERS DOWN TO 0.2 MICRON

### Triple Action Technology

- 1. Removes particulates greater than 5 micron**  
Pleated membrane pre-filtration
- 2. Filter reduces particulates, lead, chlorine, taste, odour and cysts to 0.2 micron**  
0.2 micron Fibredyne carbon element including bacteriostatic effect
- 3. Reduces limescale build up**  
Limescale inhibitor

Zip MicroPurity filters are certified to reduce chlorine, taste, odour, bacteria, sediment and limescale in line with NSF 42 (aesthetic effects) and WaterMark requirements.

Zip MicroPurity filtration is also certified to deliver a reduction of 99.9% of cysts including cryptosporidium and giardia, and lead reduction of 98.9% to NSF 53 (health effects).

## Water for a healthier workplace

Workplace wellness and wellbeing is vital to your team remaining engaged and productive. Water plays a significant role in the function of the brain, so ensuring your staff have access to fresh, healthy water is essential.

Zip Water research shows that 80% of Zip HydroTap owners drink more water than before\*. Drinking more water offers a range of benefits, such as better concentration and less fatigue. Plus, the increased activity from getting up and moving around increases circulation, encourages the elimination of waste and toxins, and reduces the damaging effects of long periods of inactivity.

Zip HydroTap meets all your workplace water solution needs, in one elegant, easy to use system.

\*Research carried out to 340 existing Zip HydroTap customers

# Environmentally responsible

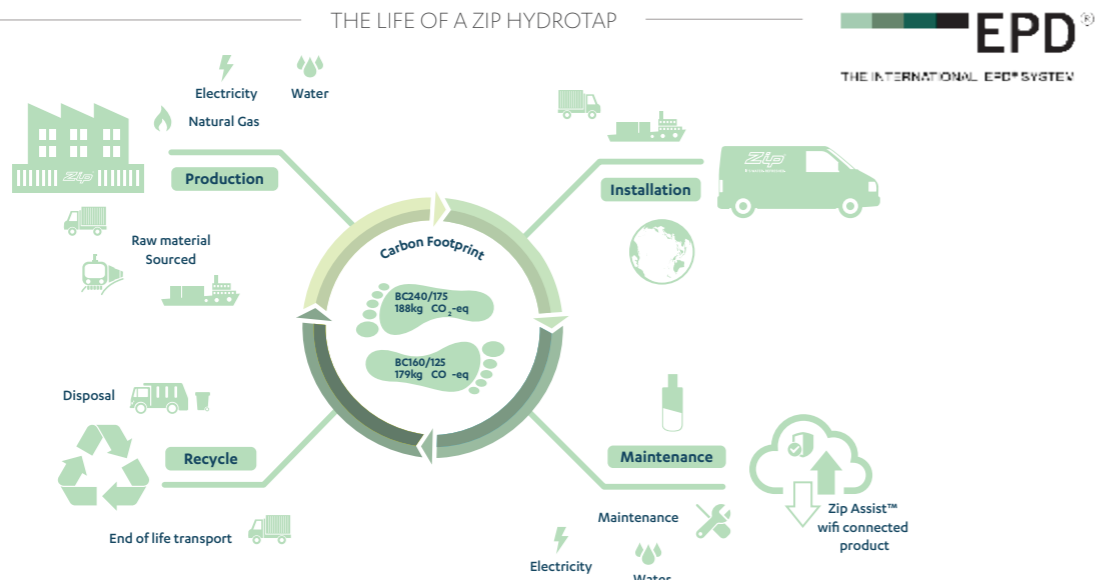

## Independently verified Environmental Product Declaration

In another first for the world leaders in instant drinking water systems, Zip has released an internationally recognised and independently verified Environmental Product Declaration (EPD) for its HydroTap products. Developed with leading sustainability consulting company, **thinkstep\***, it is the first EPD for an electrical product in Australasia, clearly demonstrating Zip's innovative and forward-thinking approach.

The HydroTap EPD details the environmental impact of the product throughout its life cycle, from the production and processing of raw materials, to manufacturing, distribution, installation, ongoing usage, maintenance and filter changing, right down to the end of the product's life.

Australians buy **over 580 MILLION** litres of bottled water a year.

Much of which ends up in **LANDFILL** and on our **BEACHES#**

### Responsible manufacturing

Organisational dedication to sustainability

### Innovative air-cooled technology

Making HydroTap 100% water efficient

### Low impact design

Complies with RoHS EU Directive 2002/95/EC

### Smart energy saving modes

Time switch adheres to the Building Code of Australia

### World class environmental credentials

Providing transparent product life cycle impact

### Eliminates the need for bottled water

Reducing your environmental impact

## Sustainable manufacturing

Zip Water products are Australian-made in Condell Park, New South Wales and exported to the rest of the world. Our manufacturing adheres to the highest standards of environmental responsibility and ensures the Zip HydroTap is manufactured sustainably.

**ISO14001** is about much more than just designing an energy efficient product. It is complete organisational dedication to sustainable environmental management and ensures genuine commitment to a sound environment management system.

Zip Water is the only Australian manufacturer in our category to be accredited with all of the following internationally recognised standards:

- ISO14001** – Environmental Systems compliance and independently audited standards
- ISO9001** – Quality Management System
- AS/NZS 4801** – Workplace Health and Safety System

\*oceanrangers.org/plastic-crusades/plastic-statistics/  
 \*Thinkstep certified life cycle assessment and EPD verifiers - www.thinkstep-anz.com

## Safe and accessible

All Zip products are designed to be completely safe and easy to use, with unique boiling water safety locks and cool touch technology. You can be confident that the end user can operate our systems safely, without needing to worry about spluttering steam.

For users with limited mobility or impaired vision, Zip HydroTap Classic is also available with accessible levers. The oversized levers incorporates braille into the colour coded red and blue options to indicate boiling or chilled drinking water.

**Featured product**  
HydroTap Classic with oversized levers and braille covers.

## The Zip service difference

Our highly skilled network of mobile technicians and friendly customer service team are here to help keep your Zip products in top working order. Our expert technicians install HydroTaps across residential and commercial kitchens, and we can maintain any drinking water systems.

### Full national coverage

With more than 100 Zip certified technicians and 270 authorised service providers across the country, fully trained and qualified support is never far away.

### Fast and efficient

Every Zip service technician carries a range of spare parts, genuine filters and CO<sub>2</sub> canisters to repair on first time attendance, which means you can get back to enjoying your fresh, filtered water in no time.

### Professional repairs and maintenance

Zip certified technicians are highly skilled, specialised and factory trained with years of experience to ensure you receive efficient, reliable and prompt service and repairs.

### HydroTap certified installation

Zip Water offers an installation service, with a national fleet of certified installers who can install your HydroTap in any kitchen.

Our certified installers will make sure your HydroTap is up and running in no time and includes stone cutting for tap and font installation.

### Be informed with updates

Get up-to-date SMS notifications when your Zip service technician is on their way to your service call to save you time in your day.

### High customer satisfaction

We aim to provide our customers with professional care at a high standard and take pride on our level of service.

### HydroTap product warranty

### Preventative maintenance plans

For ultimate peace of mind, Zip Water offers professional care of your system with a comprehensive range of HydroCare packages covering every maintenance requirement.

With everything you need to enjoy pure-tasting water, HydroCare ensures your HydroTap not only remains in perfect condition but operates at peak performance.

# A history of drinking water innovation for over 75 years

Zip Water is a world-leading designer and manufacturer of instant boiling, chilled and sparkling filtered water solutions.
