BEAUTIFULLY BUILT - Hamilton, North Island

Accumen Shapes created these excellent shapes for the owners of this home, contributing to the exterior image that **uplifted the entire appearance.**

The shaping included the following additions:

- 1 Large Parapet moulding at the top.
- 2 Small Dado Line.
- 3 Bellcast/Eyebrow above the window, with return mitres each end.
- 4 Window Cill with return mitres each end.

Thank you to the owners for allowing us to provide the architectural shapes, and to the tradesmen who carried out the installation.

It gives us pride to add lustre to this building, located in Hamilton.
