made  
in  
New Zealand*

## *SANCTUARY Otahuhu, Auckland*

**First impressions** are the most lasting as you enter this graceful home.

It is not just the specifically designed proud **columns** at the entrance that catch your eye.

The **eyebrows** above the window heads (curved architraves) magnify the window appearance and also enhance the entire wall area.

**Accumen Shapes Ltd** manufactured the **columns** and **eyebrows** for this project and it gives us great pleasure to see the end results.
